Baptists Vote To Retain Rev. Stewart; 30-11

Action Taken At Meeting Held Last Night

By a vote of 30 to 11, the members of the Calvary Baptist church, at their regular quarterly meeting, decided to retain the Rev. W. S. Stewart as their pastor for another year. The election took place by secret ballot in the church last night, following discussion which lasted until nearly midnight.

Last night ended the year for which the Rev. Stewart was called, and the re-election was scheduled. Several persons said yesterday that a movement was on foot to "oust" Rev. Stewart because of his action in allowing the use of the church building Tuesday night for the minority mass meeting, which was addressed by Mrs. Alice Park, and turned from the Lincoln school auditorium.

WOMAN TAKEN TO HOSPITAL

Mrs. Boss Woods was taken to the Craven hospital last night, following a "hurry up" call sent to the police station by Chief of Police Walker.

Inspector Betts, who responded to the call, accompanied by Dr. U. S. Abbott, were taken by the Smallwood ambulance to the residence of Mrs. Woods, but when it was found that the ambulance was not needed, the woman was removed to the Craven hospital in an automobile.

Dr. U. S. Abbott stated that Mrs. Wood was suffering from nervous prostration.

Burglar Taken After Struggle

While in the act of breaking into Schuler's Stationery Store at Eighth and Macdonald early this morning, Louis Sloane was arrested by Officer Kirkpatrick.

The man had already quietly broken one window, and was stealthily proceeding to make his entry to the store, when Kirkpatrick seized him, and after some struggle succeeded in getting him to the police station.

DeLap and Horner Part In Business

The long standing partnership between T. H. De Lap and C. D. Horner of the law firm of De Lap & Horner, was dissolved yesterday, following which Horner moved his offices to quarters over the Mechanics' Bank.

When asked as to his reasons for withdrawing from the firm, Horner said that business reasons made it imperative.

He also added that no friction of any kind had arisen between himself and De Lap, and that cases now

pending which he and his former partner were handling would go on in the usual manner.

As an occasional representative of the Mechanics' Bank, Horner said that the new quarters would be more convenient, and added that the quarters over the First National Bank were inadequate for the needs of the two.

Drs. Kelly and Carpenter have also moved to the Mechanics' Bank building, since the fitting of the building for offices.

OPERATE UPON APE VICTIM

Little Camille Reynolds, 441 Twentieth street, who was bitten by an ape at the recent Carnival of the Knight of Pythias, was operated upon yesterday by Dr. H. L. Carpenter and Dr. U. S. Abbott for blood poisoning of the arm. Her condition is serious. Steven Reynolds, father of the child, declares that he intends bringing a damage suit against the Blume Carnival Company and the Knights of Pythias.

Attorney of Richmond Is Jailed

W. D. Grady Sentenced To 24 Hours In Custody For Remarks

Attorney W. D. Grady of Richmond was turned over to the custody of Sheriff Veale for 24 hours yesterday morning, charged with disorderly behavior toward the court and drunkenness, by Judge Barber.

Grady was attorney for Patrick Kane, defending him against serious charges of a statutory offense against his 9-year-old daughter.

The jury was impaneled, and everything was in readiness when Grady appeared in court, but owing to his condition, the case was postponed until today. It is estimated that the cost to the county for jury fees, expenses of witnesses, etc., will approximate \$150.

Following is the commitment order, which was signed by the Shasta county jurist:

"In the matter of contempt proceedings of W. D. Grady.

"Now at the hour of 10 o'clock a. m. the case of the People of the state of California vs. Patrick Kane having been called in this court, the district attorney and the defendant, with his counsel W. D. Grady, appear in open court. When the case is called W. D. Grady appears in open court in a drunken condition and in a disorderly behavior toward the judge (Continued on Page Eight.)

MRS. PARK TO RETURN HERE

Mrs. Alice Park, who spoke at the Baptist church Tuesday night on the work of the Humane Society, will return to Richmond during this month to address the members of the Civic League and the Richmond Club on pending legislation concerning women.

Mrs. Park was allied with the woman suffrage movement before the passage of the amendment to the California constitution, and is considered one of the most widely informed women in the state on the subject.

TRUITT JOINS RANKS OF MINORITY FACTION

Discussing the situation which has developed in this city over the decided split in the ranks of the Society for the Prevention of Cruelty to Children and Animals, M. W. Truitt said last night that he was strongly in hopes that the matter would be settled without the necessity of litigation.

"Litigation," said Truitt, "only means that the funds and affairs of this society will be tied up for many months. Cases where the society will be needed will continue to arise. Winter is coming on and the need of a well conducted humane society will be increased. If the society is not in a position to handle those things, the burden will be on the people of the city. It is a pity that matters have come to the state that they have."

Truitt has been considered as neutral throughout the fight. He has refused to take sides with either of the warring factions, and has won comment from both for his fairness in presenting facts relating to the situation. Last night he said that he was no longer neutral.

"I have retained a neutral stand up to Tuesday night," said the treasurer of the society. "After that conduct and management of the majority faction with reference to the minority mass meeting, I have nothing in common with the majority followers, and proclaim myself on the side of the minority. I believe that they are right."

In discussing the situation, Truitt said that as far as the Rev. Calfee was concerned, he held the highest respect for the well known Methodist minister, and believed in his integrity and earnestness of purpose.

The point at which he took exception was the fact that the society was a duly and legally organized so-

ciety, and that their affairs should have been conducted as required by state laws. He waxed especially indignant over the endorsement by Calfee enthusiasts of any and all acts, whether legal or illegal, performed by Calfee, and said that the endorsements were highly improper.

Whether or not Truitt is considered treasurer of the society is a matter of much speculation. He has the society's funds, and proposes to keep them until a proper audit of the society's books show the amount that he should turn over. The man who was elected September 15 by the majority element has repudiated his election, and refused to admit even that he is a member of the society.

The affairs of the society have become a matter of comment and talk throughout the city. From a canvass yesterday afternoon, it appeared that opinion was about equally divided.

The general sentiment was to the effect that both sides has displayed poor taste and poor generalship in conducting the campaign.

The minority faction was severely criticized for its handling of the campaign. Many have come forward after the affair has advanced to the present stage to point out the mistake in management.

The points which have been charged against the majority faction as showing both poor generalship and poor taste were: The attempt to ignore the legal points advanced by the minority in calling the election; the dropping of the six members without giving them the right to be heard; the making of the matter into a personal attack on the character of the Rev. D. W. Calfee, and the undignified and alleged unwarranted amount of personal abuse which has entered into the controversy.

MONEY DUE IS CLAIM

D. M. BYRN STARTS PROCEEDINGS AGAINST R. W. BYRN TO RECOVER \$38

Following difficulties which it is claimed have extended over a long period of time, D. M. Byrn, father of R. W. Byrn, a realty operator of this city, filed a suit in the justice court against his son to recover \$38 on a note, which he claimed he could not obtain by any other method.

The father and son were formerly partners in the real estate business in this city, but dissolved business connections some time ago, owing to personal matters which arose between the two.

When interviewed last night, R. W. Byrn said that he had many personal reasons for allowing the matter to go to the justice's court, and claimed that his father owed him \$78.85. He denied that he was liable on any other notes, alleged to be held by his father.

CALIFORNIA TAX SYSTEM TAKEN AS MODEL BY THE U. S.

California's tax system has been selected as a sort of model, and favorably commented upon by Joseph E. Davies, commissioner of corporations for the Department of Commerce, in a report made public in Washington.

Davies points out that in California, alone of all the states, the corporations pay 76 per cent of the taxes for the support of the state government, which was \$11,000,000 out of the total tax of \$14,863,000 in 1912. Only in Pennsylvania and New York was the amount of the corporation's share of the state tax larger.

Davies also comments on the exemption in this state of mortgages from taxation.

Here are the amounts of taxes derived in this state in 1912 from the following sources: Corporations, \$11,239,000; inheritance tax, \$1,083,000; miscellaneous receipts, \$2,344,000.

Of the \$11,239,000 corporation tax the railroads paid \$4,776,000; insurance and financial companies, \$2,200,000; telegraph and telephone companies, \$102,000, and miscellaneous corporations, \$3,647,000.

BUYING OUT A WATER CORPORATION.

San Francisco is going to hold a water election.

Francisco situation, which was

After the comment on the San brought forth in this city during the recent water campaign here, it will be of interest to many to follow the movement which was instituted yesterday, when the supervisors decided by a vote of 13 to 5 to submit the proposition of purchasing the Spring Valley Water Company's properties.

It might be observed that the action of the Spring Valley Water Company has been under consideration for nearly a year. During that time approximately \$100,000 was spent by the city for expert appraisement and study of the merits of the proposition.

The people of San Francisco will be asked to decide whether they are willing to pay \$34,500,000 to take over the property and rights of a huge water corporation already existing, and which has been doing business in their city for years. The figure named was approved by the supervisors by a large vote, and in that connection it might be added that the report of the Advisory Water Committee, of which Chief Justice Matt I. Sullivan is chairman, was endorsed in its entirety by the board.

Although instructions have been issued to draw up the proper resolution calling an election of the people to decide the matter, no date has yet been set.

It will be of extreme interest to Richmonders who have studied the water problem to watch the outcome of the San Francisco attempt.

REGISTER NOW.

Saturday of this week will be the last opportunity for unregistered voters to register for the general election in November. It is of paramount importance that every citizen should attend to this duty IMMEDIATELY. Do not wait until the last day. A delay may be fatal. There are many questions of more than ordinary importance which will be decided by the voters of the state and county. The ballot is the working-man's ammunition. Don't waste that ammunition. Unscrupulous money interests are throwing thousands of dollars into the campaign to defeat many of the issues which favor the workman. This money power is misrepresenting the issue in many instances, by using their power to FORCE PUBLIC OFFICIALS TO FALSIFY BY DECLARING THAT THE PASSING OF THESE AMENDMENTS WOULD RUIN THE STATE. Do not be deceived. Register NOW and go to the polls on November 3 and show these interests THAT THE LABORING CLASSES ARE TAKING ADVANTAGE OF THEIR POSSIBILITIES.

"SEND A NEWSPAPER."

Today is "Newspaper Day."

Throughout the state a movement will be observed in the sending of local papers to friends in other states.

The idea is a good one. It is not only a novel and acceptable way of advertising a state or city, but gives an impression of the city in which the

paper is published, as nothing else would do.

The character of a town can to a large extent be read from the newspapers. Friends will be glad to learn about the city in which their California neighbors live.

The idea of sending papers to friends in the East every once in a while is good. It will keep the friends there posted about the city in which you live.

City patriotism is a good thing. One cannot show too much of it, if it is true patriotism. The exaggerated "boost" idea is admittedly bad. And that is one reason why the sending of newspapers to Eastern friends is a good one. A newspaper will give a comprehensive idea of a city's character.

Richmond has been called "The Pittsburgh of the West." It is one of the greatest factory centers in any state for its size. Industries which are found in few cities in the country are represented by one or more factories here. Among the products which Richmond turns out in abundance are sanitary porcelain ware, all kinds of oil, asphaltum, and petroleum derivatives, paint, pipe and steel work, bath tubs, enameled ware, and countless other materials.

The schools, clubs, location, government, and many points of interest are largely shown by the newspapers.

It is a splendid plan to make this a day for sending papers to friends in other parts. It is a good plan to make this a custom, and send a daily paper every once in a while.

ADS ARE POPULAR READING

A newspaper's information is so varied it contains news to suit everyone. Some years ago a person who read the ads in the newspaper or a magazine was considered odd, and it is true the ads were crude, the articles advertised often being out of season or of a style and texture entirely out of fashion. But now it is different. Advertising furnishes the most interesting reading matter in the newspaper. It is instructive, teaching the public how to reduce the cost of living and at the same time get the best standard goods.

If you don't already read ads—get the habit—it's a liberal education.

An ad. in the Daily News is worth a great deal to the local merchant because the people who back this paper spend their money in Richmond.

"Tales of a Million Dollars"

The Man Who Threw Away \$210

Eighteen months ago Burg Bros., Inc., sold lot 27, block 17, in the Nicholl-Macdonald Ave. Business Center Tract in Richmond for \$1250—\$125 down and \$10 a month.

After the original purchaser had made payments for 14 months he began to get nervous. Result—he sold it for \$2000, making a profit to him of \$750 on an investment of but \$265 in cash.

But—here's the moral: If he had NOT sold it, he would have made \$250 MORE PROFIT—and would have paid out only \$40 more cash—for the lot sold again September 1 to one of Richmond's ex-officials for \$2250.

He literally threw away \$210 in four months by selling his lot too soon.

Do you see what we mean?

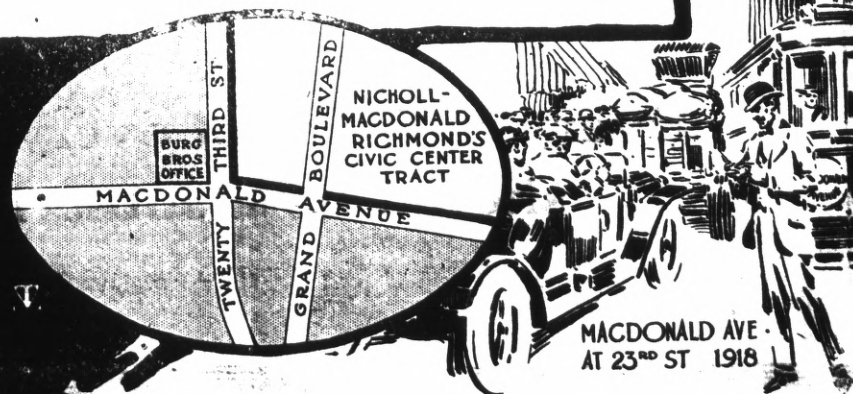

Richmond's property is increasing in value faster right now—for didn't this lot increase the most during these last four months?

That is why we say

MINIMUM WAGE PROPOSITION TO BE BROUGHT UP AT THE STOCKTON FEDERATION MEET

One of the most important matters to be considered at the convention of the California State Federation of Labor in Stockton next week will be the proposed constitutional amendment providing for the establishment of a minimum wage for women and minors.

This amendment as it appears on the ballot for the November election embraces more than its title would indicate. In fact, it is, from a humane standpoint, the most important amendment to be voted on at the general election. Its passage means practically that the courts will be prohibited from declaring unconstitutional any of the humane laws enacted at the last session of the State Legislature. Its defeat would mean a continuance of government by judges. Among the measures that would be liable to be declared unconstitutional in the event that the minimum wage amendment is defeated is the employers' liability and workmen's compensation act, which is recognized as the most progressive and humane law enacted by any state Legislature.

While there is a difference of opinion among labor people as to the

merits of a minimum wage law for women and minors, and while much can be said for and against the measure, the fact that the defeat of this amendment would place in jeopardy every humane law enacted under the present state administration is causing labor leaders throughout the state to concentrate their efforts in working for the passage of this amendment would place in jeopardy ballot as proposition No. 44, and which is labeled "Minimum wage." A strenuous effort will be made to have the amendment endorsed by the convention of the California State Federation of Labor in Stockton next week. Paul Schaffenberg and State Labor Commissioner John F. McLaughlin will earnestly advocate such endorsement. Representatives of the organized women wage-earners will oppose any such move, as they claim a minimum wage law will retard organization among women and tend to lower wages of women already organized. The San Francisco Labor Council is already on record as opposed to the measure, and its delegates will be instructed to oppose the endorsement of the amendment.

BOWBEER SPEAKS BEFORE CENTRAL LABOR COUNCIL ON INDUSTRIAL UNIONISM

B. F. Bowbeer, eighth international vice president of the American Association of Steam and Electric Employees of America, spoke last night at the meeting of the Central Labor Council in Musicians' Hall. His topic was Industrial Unionism. Bowbeer's address was listened to with great interest.

Reuben H. Cunningham was nominated to the position of president of the order in the place of James Kennedy, resigned.

The Butchers' Union reported that they would be represented at the coming Stockton convention by two delegates. The council delegated

Heckman as representative from the council. Heckman also goes as representative of the Teamsters' Union. The Clerks' Union reported that the meeting place of the organization had been changed to Polytechnic hall, as women members were to be taken into the organization.

TO CALL FOR SCHOOL BIDS

That bids for the new Grant school to be built in East Richmond will be called for in about ten days, was the opinion of members of the school board last night.

Tentative plans for the building were gone over, and details discussed at a special meeting held on Sunday. L. S. Stone of Stockton has announced that all but a few blue prints are completed. W. E. Leland of San Francisco, a heating engineer, has been given the tentative plans for designing the heating system. Every effort has been made by the trustees to bring the matter to a speedy completion, and it is expected that bids will be awarded within the next few weeks.

SANITARY BIDS ARE RECEIVED

At a special meeting of school trustees last night to consider bids for the sanitary equipment of the Lincoln school, three bids were received.

The bid of \$5417 was made by M. Morton, and was the lowest of the three. The bid of M. B. Roberts was for \$5745, and by James Cruickshank for \$6201.

The trustees decided to take the matter under advisement, and will announce the awards at a later date.

Dolls To Parade In Richmond Club Event

Pretty dollies, wheeled by pretty little maids in pretty doll buggies, will be one of the many features of the two-day fair of the Richmond club, which opens October 8. The event will be known as the "Doll Parade" and will be held on the afternoon of the opening day. MANY AT INITIAL PARTY

MORE THAN TWO HUNDRED PRESENT AT RICHMOND CLUB WHIST EVENT

With more than 200 present, the first event in the new quarters of the Richmond Club was held last night. What was the diversion and 45 tables were kept busy. A number of visitors did not play, preferring to look over the new structure. While not the formal opening of the club's handsome new quarters on Nevin avenue, the affair was of special interest. The rooms were fully decorated with vari-colored bunting and flowers, while festoons were strung from the electric light chandeliers.

The grand prize of the evening was won by Stanley Stokes. A number of other prizes were also awarded. The committee which had charge of last night's successful affair was made up of Mrs. C. F. Donnelly, Mrs. J. H. Gibb and Mrs. O. Staley.

Mrs. Erickson took the women's first prize, Miss Dora Smith, second prize, and Mrs. McCullough, third prize.

The draw prize was won by Mrs. J. J. Davis and the door prize by C. Gibson.

NATIVES TO INSTALL A CLASS SOON

The local parlor of Native Sons is making great preparations for the class initiation that will be held in the parlor rooms next meeting night. Three or more will be inducted on that evening and a specially planned meeting will be held to celebrate the occasion.

Plans for the whist party to be given jointly by the local parlors of N. S. G. W. and N. D. G. W. were also discussed. The party will be given October 28 in Moose Hall and a record crowd is expected.

SPECIAL CARS FOR MEMBERS OF PARTY

Two special cars have been engaged to carry those who attend the theater party given by Miramar Chapter of the Eastern Star.

The cars will leave Washington avenue, Point Richmond, at 7:07 p. m., according to schedule, and will leave shortly after that at Macdonald avenue. Those two stops will be all that the car will make.

Many tickets have been sold, and a large gathering is anticipated by the chapter for the event.

Editor Daily News:
Kindly insert the following resolutions, adopted at a mass meeting Tuesday night, in your valuable paper:

Whereas, A most deplorable state of affairs has developed in the Richmond Society for the Prevention of Cruelty to Children and Animals, because of which it has lost the respect, sympathy and confidence of a large portion of the people of Richmond; and

Whereas, This said state of affairs is due to the carelessness and incompetent business management and indifference to the society's best interests on the part of the officers and directors; and

Whereas, It has become plainly evident that the parties who have been in control of its affairs and who have again seized control by unfair and illegal methods and intend to perpetuate the present unsatisfactory conditions of affairs in the society; and

Whereas, The majority, whose only aim is to better the condition of the society, has been wrongfully deprived of its legal rights in the recent election of officers; and as a punishment for asserting their rights six of their number have been expelled from the society at an illegal meeting by an illegally constituted board of directors and in an unfair manner without any charges being preferred or opportunity afforded to face their accusers; and

Whereas, The officers of the said society have been for a term of years receiving from the taxpayers of this city and county, funds to the amount of \$100 per month in addition to the money contributed to the society by the charitably disposed persons of Richmond, the said moneys being received and disbursed without any proper and adequate accounting of the same.

Resolved, That we, the minority, and other taxpayers and well wishers of this society, in mass meeting assembled, do hereby condemn the present management of the society, charging it with incompetence and carelessness in the business affairs of the society and injustice in its treatment of the minority.

Resolved, That we hereby utter our vigorous protest against such a state of affairs being allowed to continue; and that we hereby demand that an election be called and conducted in a legal manner, at which a board of directors be chosen, composed of reputable men and women who are not all members of one church; and

That we demand that a certified accountant from some accounting firm, not a resident of Richmond, be employed immediately to examine the books, records, papers and accounts of the secretary and treasurer for the last three years, and that his report be published in the daily press.

Resolved, That unless the business methods of this society are not promptly corrected so as to comply with the state laws governing corporations, that it is the sense of this meeting that this society be discontinued and that steps will be taken toward that end.

DUCKS, SEALS AND TIGERS WINNERS IN COAST GAMES

The Ducks are still holding their lead at the top of the Pacific Coast league, the win of the Seals not cutting down the northerners' lead, as they also did a little clean-up stunt. The Oaks introduced a new pitcher. His name is Bromley and he is a southpaw. Bromley is a busher and was secured from the Trolley league. He got off to a bad start with the Seals, who scored three runs right off the bat. The Tigers are hanging close to the Seal aggregation with Los Angeles trailing fourth.

Four Teams On Circuit; To Open Season Sunday

The Midwinter League last night became a reality. At a meeting of representatives from Winehaven, Cheek's Outlaws, Point Athletes and the Richmond Cubs, held last night at the Cheek residence, a league schedule was drawn up and adopted. The league will play its first game next Sunday, when the Athletes will tangle with the Winehaven squad at 2:30 o'clock, and at the same hour the Outlaws and Cubs will try conclusions. The league boasts some of the classiest semi-pro tossers in the county and the series should develop some speedy exhibitions of the national pastime.

Winehaven will have as its manager John Miller, and Elmo Pinkerton, captain; Outlaws, Frank Cheek, manager, and Frank Molton, captain; Athletes, John Blone, manager, and Babe Wunderlich, captain; Cubs, William Mahoney, manager and captain.

The umpires selected are Dick Hearse, William Bailey, "Jockey" Chamberlain and Walter McGowan. Alfred (Midget) Childs, shortstop of the Richmond Elks, was elected president of the league at last night's meeting.

The league adopted a number of rules for governing protests and other business. The following is the schedule for the season:

	Athletes vs. Winehaven.
October 11.	Winehaven vs. Cubs (double header).

November 8.	Outlaws vs. Winehaven.
	Cubs vs. Athletes.
November 15.	Athletes vs. Winehaven.
	Outlaws vs. Cubs.
November 22.	Winehaven vs. Cubs.
	Outlaws vs. Athletes.
November 29.	Outlaws vs. Winehaven.

WORLD'S SERIES TO OPEN IN PHILADELPHIA; GAMES WILL BE PLAYED OCT. 10

The first two games between the Philadelphia Americans and the Boston Nationals for the baseball championship of the world will be played in Philadelphia on October 9 and 10. The third and fourth games will be played in Boston on October 12 and 13. The fifth game will be played in Philadelphia October 14, and the sixth game in Boston, October 15, if more than four games are necessary to decide the series.

The umpires will be Klem and Byron of the National League and Dineen and Hildebrand of the American league. There will be three official scorers, J. G. T. Spink of St. Louis and one man to be picked by the Philadelphia baseball writers and one by the Boston writers.

The price for seats are: Boston—Boxes, \$5 each seat; grandstand, \$3; pavilions, reserved, \$2; general admission, \$1; bleacher seats, 50 cents.

Philadelphia—Boxes, \$5 each seat; grandstand, \$3; pavilion, reserved, \$2; general admission, \$1.

Tickets will be sold in each city for a series of three games. In the event that a game is unplayed the money paid for a ticket for that game will be refunded.

The Daily News WILL PAY A REWARD OF TEN DOLLARS FOR ANY INFORMATION LEADING TO THE APPREHENSION OF ANY PERSON STEALING THE PAPERS OF SUBSCRIBERS TO THE DAILY NEWS. Telephone or bring information to office.

WINE BOYS TO TACKLE POINT TEAM: MACK WANTS A RAISE

The Winehaven team and Point Athletes will provide the attraction at the Point Richmond grounds next Sunday afternoon at 2:30 o'clock. Pinkerton, the "Barney Oldfield" of the Wine City, will officiate on the mound for the Winehaven club, while Amos Moss, the Beau Brummell of Calwa town, will accept his offerings. Johnny Miller, who has been handling the initial sack of the Winehaven club, will not be amongst those present at next Sunday's festivities. Johnny has received an offer from Livermore and will play in a Livermore uniform Sunday.

Hughie Mack, the official score keeper of the Winehaven club, is beginning to believe that scoring isn't the great sport it is cracked up to be. Mack, who is one of the highest salaried scorekeepers in existence, receiving a lump total of Nix a week, is contemplating striking for twice that sum. Mack is slated for a job in the Midwinter league.

NO MUD THIS TRIP SAYS CLUB

Fans who make the trip to Petaluma a week from Sunday will leave the San Francisco Quarries Company at 10 o'clock in the morning, going over to Sausalito, and from that place by train to the chicken town. The train will arrive in Petaluma at 12:15 o'clock noon (not midnight).

The club has secured a guarantee that there will be no long delays as happened in the previous charge on the town of chicks.

Manager Healey, who pilots the henry boys with a delegation of home boobs, will be on hand to receive the local force.

DUCK SEASON LESS THAN THREE WEEKS AWAY; THEN LOCAL HUNTERS GET BUSY

The duck season is less than three weeks away and all indications point to a big year. As of yore, hunters already are out with statements that a record-breaking number of birds are ready to fall before the onslaught of the scatter-gun men. Such predictions have been heard before and will be heard again. Only experience will tell how this year will reward the sportsman.

On October 15 the Third District season opens for water fowl. The district comprises the following counties: Sacramento, Plumas, Butte, Yuba, Sierra, Nevada, Placer, El Dorado, Sutter, San Joaquin, Tuolumne, Amador, Mariposa and Calaveras.

Reports from the bay counties call marshes indicate that the feathered objects of the sportsman's quest are more numerous than in many seasons past. From the rice field districts of California come the news that the broad bills are going to furnish many a good spread.

Local gun men are planning for the opening of the season in grand style. They are looking forward to the hunt every time out. Last year the hunters were not very well satisfied with the result of their labors. Lack of early rains made the food supply scarce and the ducks passed up a great many of their former watering spots. But this year promises to be different.

BASKETBALL GIRL'S PLAY FIRST GAME

This afternoon the girls' basketball season will be opened by a game with Mrs. Head's school in Berkeley. Almost since the beginning of school a daily practice of from fifteen to twenty-five aspirants to the team has been held, with the result that some excellent material has been developed. The competition for places on the team has been very spirited and it was not until last night that the team was chosen. It will line up as follows this afternoon: Forwards, Captain Anita Krueger, Ethel Hall and Maryanna Mount; center, Vera Lautenschlager; touch, Evelyn Robertson and Louise Fanning; substitutes, Thelma Milnes and Ruth Adair. To be able to financially support the basketball games the student body of the school voted to loan the rally fund of \$12.50 to the augmentation of the fund proportioned them on the yearly budget of last August. A large quantity of money is expected to be forthcoming from the production of "Pilgrim's Progress" at the Lincoln auditorium Friday. The high school will then be able to make a handsome appropriation for the support of basketball, in which it is expected a large part of the athletic prowess of the school will be won this year.

SATURDAY'S GAME VERY IMPORTANT

"To be or not to be," is practically the question to be decided Saturday on the local football field, when the invading Centerville team will take the high school fifteen to combat. The game is important, because on the winning or losing of it will depend Richmond's opportunity of competing for the league championship on October 24. Centerville is rated as the best team in the league, and as the local school would undoubtedly be able to emerge victorious in another fray with Livermore high, her chances to win, once the Centerville "impediments" is passed, seems very bright. By special coaching and hard work during this past week the squad feels much improved and with the

strengthening of Casey and Jones, and a few switches, will line up stronger on the coming Saturday than ever before. Coach Maddox will be out this evening and tomorrow evening and will put the team through its finishing touches. The out-of-town students, those from Albany, Pinole and Rodeo, who attend the local high, under special provision, are the lucky persons from now on. They will receive free railway transportation to and from their homes, issued in the shape of monthly commutation books. Books for the month of October were issued yesterday. It was officially announced by County Superintendent of Schools W. H. Hanlon that the week of Institute would be changed from October 12 to 17 to October 19 to 24.

MORELIVER, Cal., September the Last.—In the second game of the 1914 Rugby season, to be played versus Hayward high on their grounds on the third inst., the local team will take the Apricot Pluckers into camp to the tune of 9 to 12, or an equally overwhelming score, by which Richmond was sent home on last Saturday.

As Richmond became very well acquainted with Livermore's lineup at the Pleasanton battle, the Hayward lineup only is transmitted: Forwards, Eugene Strowbridge, Jensen, Moser, Oliver, Chadbourne, Quist and Russell; halfback, Creelman; inside five, Smith; outside five, Steeves; center three, Ed Strowbridge, Tyler and Armstrong; full back, Day, and wing forward, Capt. Charles Long.

The entire football squad journeyed to Berkeley yesterday to engage the second team of Berkeley high in combat. Owing to a misunderstanding, however, it was learned that no game had been scheduled and the locals had to go gameless.

The majority of the intended opponents had gone to the Bay View playgrounds in Oakland, near the Sixteenth street station, to witness a game between Oakland high and Polytechnic high. Five of the local players also took in the game, making the trip in Wendell Boquet's machine. They were Captain Brown, Ervin Barr, Lawrence Cameron, Wm. B. Stewart, Wendell Boquet and Alfred Childs.

Oakland high was victorious by the score of 12 to 0.

PETALUMA BOY DROPPED FOR
COUNT BY SLASHING DRIVE
TO THE JAW

Special to the News.
SAN FRANCISCO, Sept. 30.—George Chip knocked out "Fighting" Billy Murray, the Petaluma boy, in the fourth round of a scheduled 20-round bout here tonight. A slashing blow to the jaw following a feint sent the Petaluma boy to the mat for the count of ten. Jim Griffin refereed the battle, which was attended by a fair sized crowd. Betting was lively before the men entered the ring, with Murray a 2 to 1 short under. The decisive defeat by Chip will eliminate Murray from further main events, it is believed.

"Wanted To See World" So They Saw Richmond

Three lads, all under the age of 10 years, were arrested last night near Pullman by Officer De Pew, and brought to the jail last night. Later they were returned to their homes in San Francisco.

The boys were John Napoli, Gus Napoli and Gus Serrano, the two former residing at 2630 Leavenworth street and the latter at 1328 Columbus avenue, San Francisco.

The boys admitted at the police station that they had run away from home. The local police department got in touch with the San Francisco department, and soon after the parents of the boys came over to take their wandering sons home.

"Just wanted to see the world," said the three lads at the station last night.
